## About Us

We, **Harnik®**, are a name associated with food products since over four decades. Our company was founded by **Mr. N.L. Hingorani**, a food scientist, who started the company with a passion for creating quality and sumptuous food products. Our range of products includes instant food mixes & desserts and a wide range of confectionery products. Quality products at the right price have always been our motive, and that it is evident that this thinking has taken our company to newer heights. Our range of products is widely accepted in the market for its delicious aroma and mouthwatering taste. We are backed by a team of diligent professionals, which has immensely contributed towards the success of the organization. They are engaged in processing superior range of products using top grade ingredient, which is sourced from well-known vendors in the market. We have employed advanced technology and hi-tech machinery & equipment that helps us in offering top grade products to the clients. The organization believes in following ethical business practices and maintaining transparency in the deals. Moreover, we are facilitated with a capacious warehousing facility, where all our products are stored and packed in a hygienic manner. All our endeavors centers on gaining the optimum satisfaction of our clients. For the same, we follow our strict quality assurance policy. The offered products are stringently tested by our quality controllers to ensure that...
